

THE GRTN WARNS OF POSSIBLE INTERRUPTIONS TO SARDINIA'S ELECTRICITY SUPPLY TOMORROW

Roma, July 2, 2003 - The GRTN this evening informed Enel that the available electricity production capacity in Sardinia is not enough to guarantee the normal functioning of the island's electricity system. The GRTN, therefore, has called for all the necessary preparations for the implementation of level 3 interruptions in Sardinia from 09:00 tomorrow, July 3.
