

THE GRTN WARNS OF POSSIBLE INTERRUPTIONS TO POWER SUPPLIES TOMORROW

Rome, June 26, 2003 - Enel Distribuzione has been informed by the national grid operator (GRTN) - Gestore della Rete di Trasmissione Nazionale - that tomorrow, Friday June 27, the GRTN may interrupt the supply of electricity for about 1,300 MW.

The interruptions, which would be applied on a rotating basis from 09:00 am, could effect customers in all regions of Italy.

Enel Distribuzione, while sorry for eventual inconveniences, will do everything possible to prevent the interruption of services to hospitals and other essential services, and calls on all customers to take special care during the day in the use of electric appliances and elevators.
