

## **ENEL CONCLUDES THE NECESSARY PROCEDURES FOR THE SALE OF EUROGEN TO THE EDIPOWER CONSORTIUM**

Rome, May 31, 2002 - Enel and the Edipower consortium today concluded the necessary procedures for the transfer of ownership of Eurogen, the second generation company to be sold by Enel, which was assigned through a competitive auction which ended on March 17, 2002.

The Edipower consortium paid the sum established for the sale of Eurogen, of 3.057 billion euros, to which the reimbursement of the intragroup debt of 751 million euros must be added.

The European Commission cleared the operation on May 3.
