

CORRECTION

Rome, March 28, 2002 - A correction of the news release of the 2001 financial statement issued today follows:

with regard to the variation in the number of employees of the Enel Group between December 2000 and the end of 2001, please substitute the following sentence "This difference takes into account 6,864 terminations, 3,266 transfers linked to asset sales, 837 new hires and 879 new employees linked to asset acquisitions".
